

Touch-Plate®

Lighting Controls

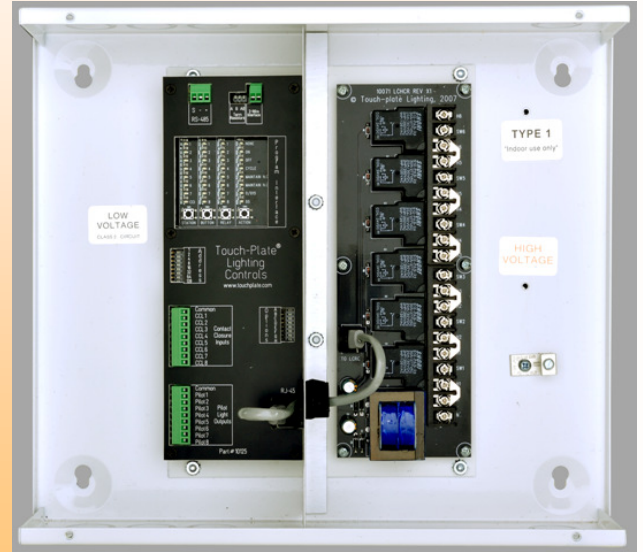

The ZoneZ-2W:

Touch-Plate® Lighting Controls ZoneZ-2W is the solution for a wide variety of lighting control projects: hotel rooms, classrooms, conference rooms, and residential areas.

It is designed specifically to simplify wiring and provide on-board intuitive programming to accomplish scene control from a wide variety of input types. Only 2 wires are required from each control station, and they are not polarity sensitive. The control station wiring can be 'starred' or 'daisy-chained'. It has a built-in serial port so it can be controlled by other systems such as Modbus. It can be wired locally, controlled globally.

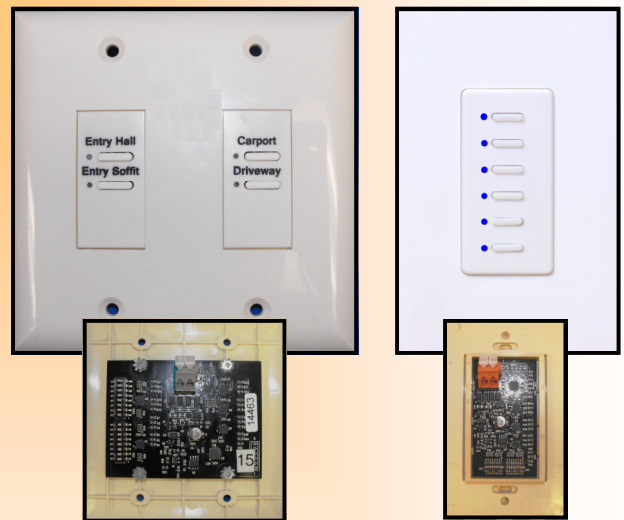

ZoneZ-2W is also a perfect retrofit product for older 1946 through 1970's Touch-Plate® systems. Retrofit customers can just order new control components, or components in a new enclosure if desired or space does not allow.

ZoneZ-2W Features:

- Each ZoneZ-2W comes with built-in user interface of simple buttons and LED's, very intuitive.
- One Control Board and one Relay Board is the standard combination to control 6 relays. If needed, there are options for only 2 or 3 relays.
- Programming Options:
 - 8 Scenes
 - Switch Actions include Maintain N.O., Maintain N.C., and Auto-Off
- ZoneZ-2W series has a built-in Serial Port, which makes it easy to upgrade in the future to:
 - Time-Keeper® or ZoneZ Soft Patch Master.
- Single button controlling a relay "ON" or "OFF" (cycle or toggle)
- Momentary ON and Momentary OFF input options
- Wired locally, controlled globally in network mode
- 20 Amp electrically-held relay options or 25 Amp latching
- Electronic Stuck Switch Protection
- 3 years of free phone support

Control Stations will upgrade at the same time to new styles with LED's.

How To Order

*If interested in re-using existing enclosures, please contact the factory for details

Model Options

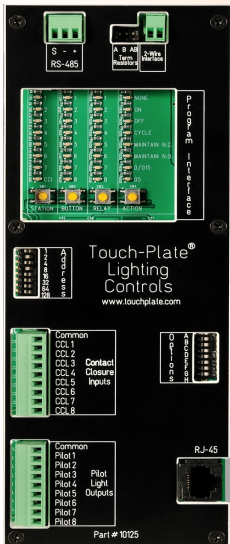

<u>Model #</u>	<u>Description</u>
-2W	Uses 2-Wire control stations, Network-ready, 8 Scenes

Relay Options

<u>Relay Option</u>	<u>Description</u>
-71	UL Listed 20 AMPS Tungsten & Ballast
-72	UL Listed 25 AMPS Tungsten & Ballast

Configurations Available

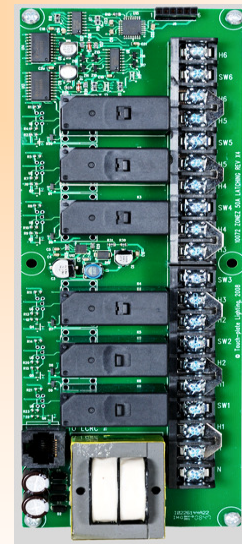

<u>Panel Configuration</u>	<u>Enclosure Dimension</u>
-6RP	6 Relay Panel 12"L x 14.25"W x 3.75"D
-12RP	12 Relay Panel 21.5"L x 14.25"W x 3.75"D
-18RP	18 Relay Panel 34"L x 14.25"W x 3.75"D
-24RP	24 Relay Panel 28"L x 24"W x 5"D
-30RP	30 Relay Panel 28"L x 24"W x 5"D
-36RP	36 Relay Panel 28"L x 24"W x 5"D
